Re: Homicide
Victim: Jane DOE
OSBI Lab #585-48

The OSBI Laboratory has received evidence for examination in the above entitled case. A laboratory report will be sent to you when the examination has been completed. Since you have to conduct examination on a priority basis, please advise the court so that a hearing can be established if you need the results expedited.

We are always striving to shorten the time between the receipt and analysis of evidence. Your patient and cooperation is greatly appreciated.

If any developments occur in this case such as the dismissal of charges or guilty pleas which would eliminate the need for conducting the requested examinations, please advise the OSBI Laboratory immediately.

Sincerely,

Donald A. [unclear]
Chief Forensic Chemist
